5. WORLD AUTISM AWARENESS MONTH: MASS OF ACCEPTANCE AND INCLUSION | 28 APRIL 2024

On the eve of World Autism Awareness Day 2022, Pope Francis called upon the church to adopt a "culture of inclusion" - breaking down barriers to ensure that all people with disabilities can more fully take part in church communities and society. Join us on **28 April 2024 (Sunday) at 10.30am**. This mass is another step aimed at empowering the parish, its people, parents and caregivers to help persons with autism access their Catholic faith. We can all support this by learning, understanding and accepting the difficulties in social skills, language and behaviour of persons with autism. Faith tells us that persons with autism are worthy; science tells us that they are capable.

Matthew : 19 : 14 - Yet truly, Jesus said to them: 'Allow the little children to come to me, and do not choose to prohibit them. For the kingdom of heaven is among such as these.'
