In the Old Testament era, God sent prophets at critical times to call the people back to their covenant relationship. Prophets proclaimed the consequences of continued sin, called people to repentance, and declared God's faithful love; they also spoke of the future to shed light on current events and to reveal God's plans and purposes. It is nearly impossible to understand the work and the message of Jesus without the prophetic books. The Prophets: Messengers of God's Mercy examines who the prophets were, their role during their time, and the meaning of their messages for our own time.
