

Living the Call:

CARING

for one another in Christ

Cathedral of the
Holy Spirit, Penang

In God, all are one
Inclusive • Caring • United

Jesus, throughout his earthly ministry, healed the sick, comforted the broken-hearted, and embraced the marginalized.

His life was a living testament to love in action, demonstrating that caring is not just a concept to discuss but a practice to live out.

Our care for others reflects our love for Christ himself. When we extend kindness to those in need, we are serving Jesus himself.

Genuine love is not passive but actively seeks out opportunities to reach out to those who are suffering, neglected, ignored, and excluded in our community, urging us to respond to their needs.

As we journey forward as a parish community, let us foster a culture of caring within our parish.

With hearts filled with compassion and hands ready for service, let us actively seek opportunities to be kind, lend support, and share the love of Christ with those around us.

Reflect

1. How can you show kindness to someone in need this week?
2. Recall a time someone showed you kindness. How can you pass it on?
3. How can you reach out to support those who may feel left out?

Pray

O almighty and most gracious Father, bless us with the grace through the Holy Spirit, that we may always be ready to care for one another in the most perfect example of Your Divine Son and our Lord, Jesus Christ. Amen.
